OUTCOME

Headline result

EDIT

NN.1 - CONTEXT

THE CHALLENGE

Set the scene in two or three sentences: the business context, the user pain, and the constraint that made this hard.

EDIT

A. CHALLENGE

What was broken and why it mattered.

EDIT

B. APPROACH

The strategic bet you made.

EDIT

C. OUTCOME

The result, ideally with a number.

Constraints & stakeholders

DROP ARTWORK · PLACEHOLDER

NN.2 — DISCOVERY

RESEARCH & *DISCOVERY*

How you learned what you learned — methods, who you spoke to, and the single insight that reframed the problem.

EDIT

1024 × 1024

Synthesis — affinity map

NN.3 — STRATEGY

THE *APPROACH*

The design strategy and the principles that guided every decision from here on.

EDIT

NN.4 — OUTCOME DESIGN

THE *DESIGN*

The hero of the case. Lead with the strongest screen, then supporting flows and details.

EDIT

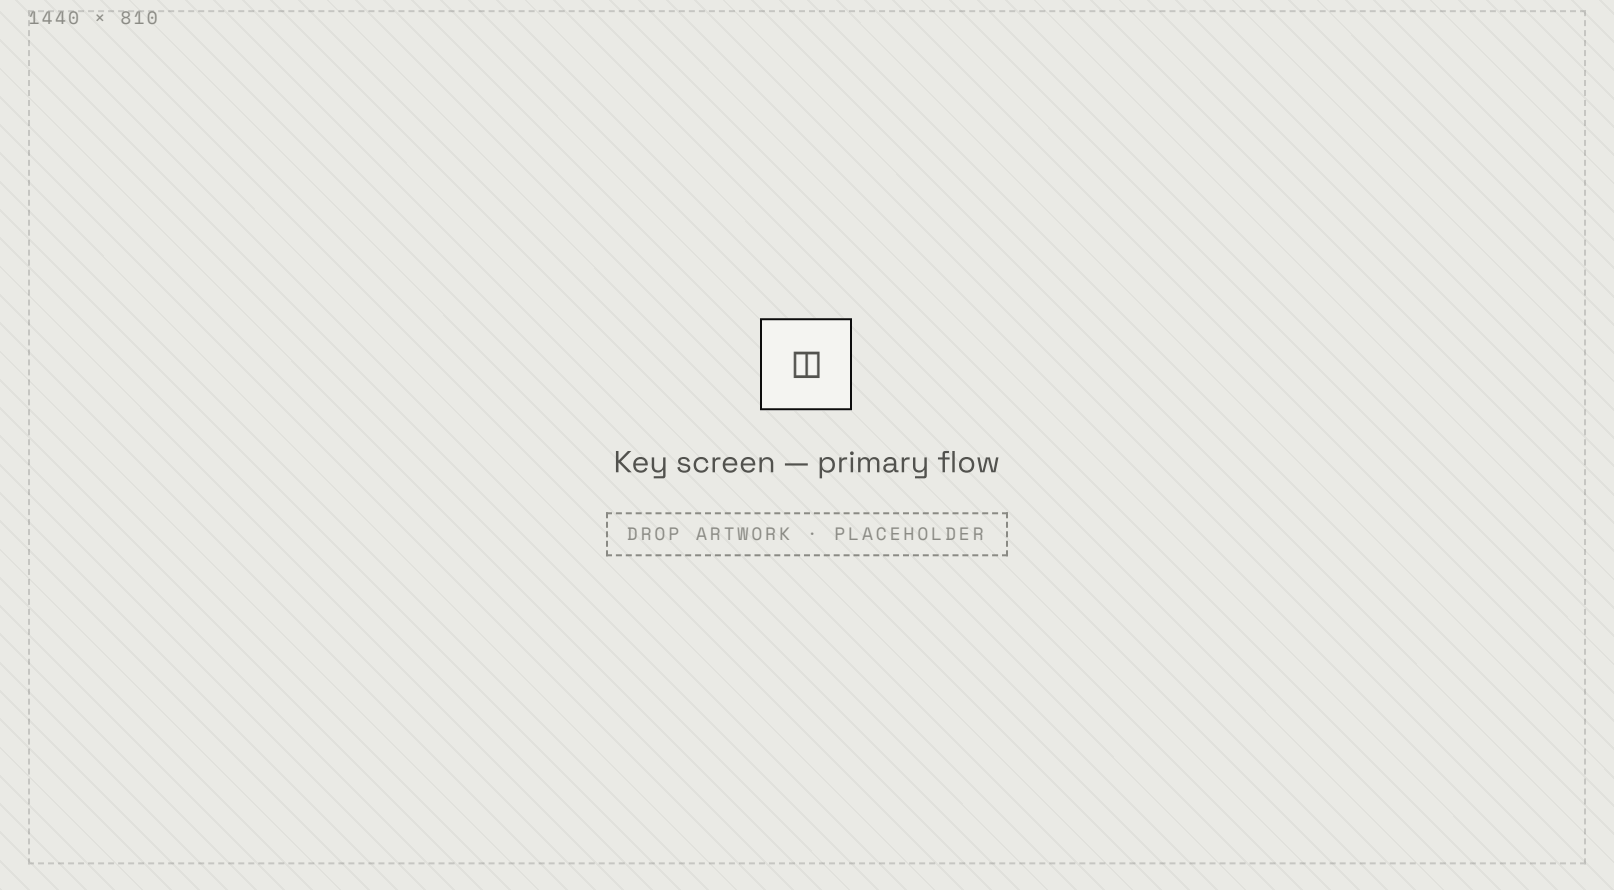

FIG. 1 Lead with your strongest artboard.

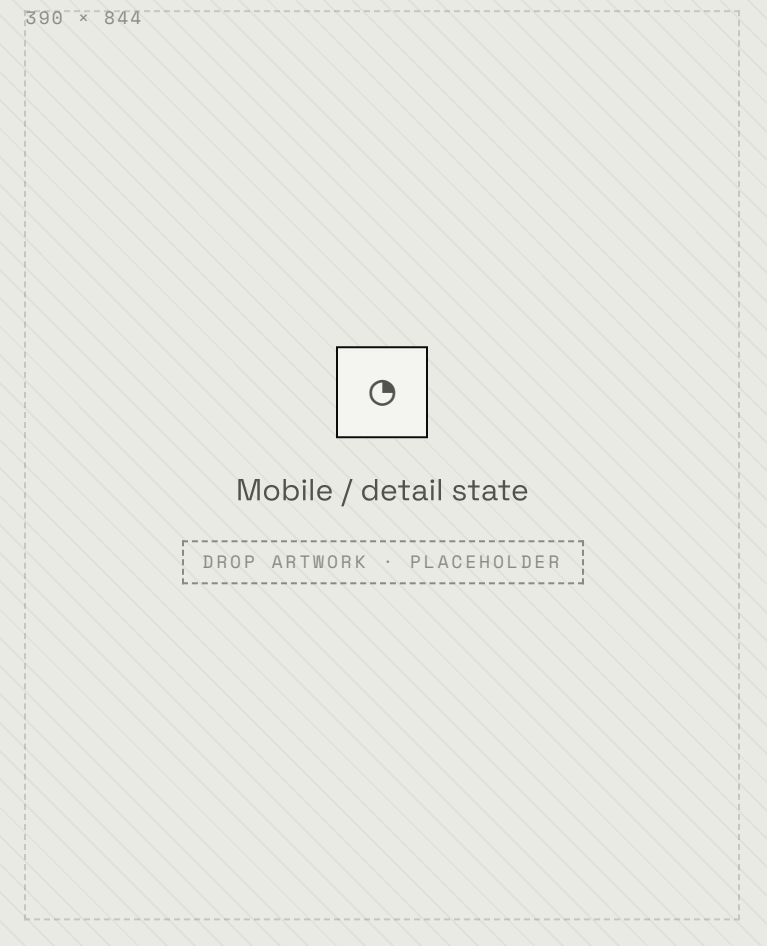

FIG. 2 Supporting view.

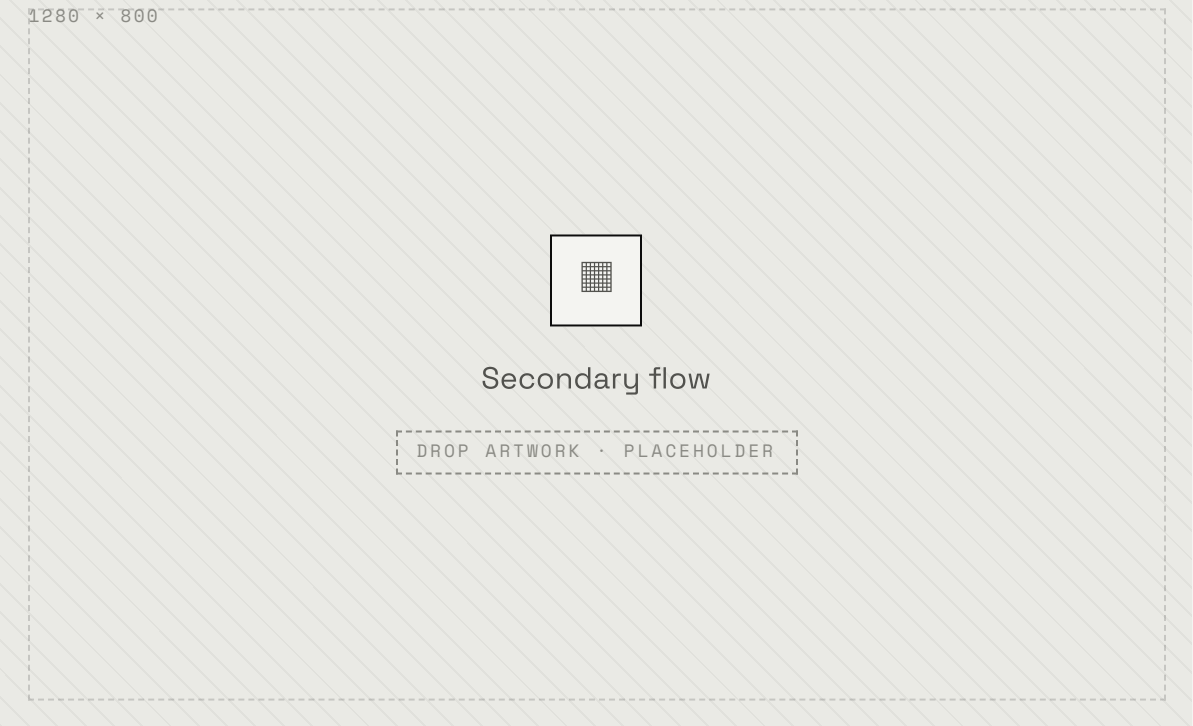

FIG. 3 The next-most-important moment.

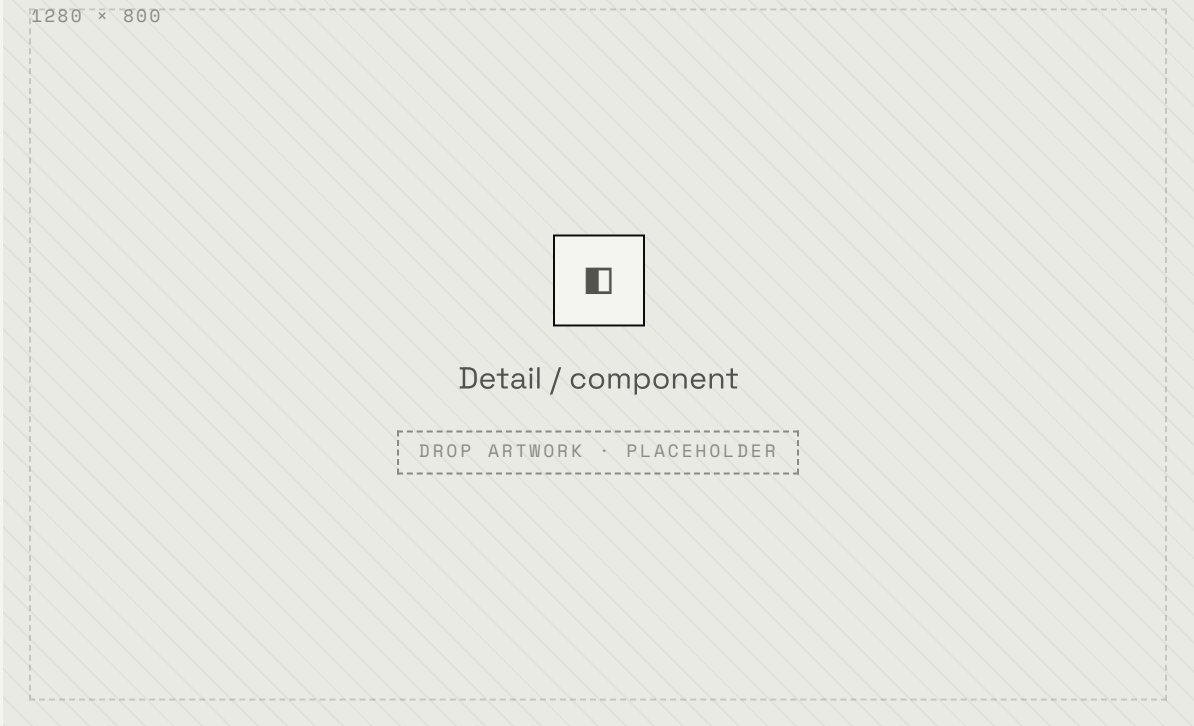

FIG. 4 Zoom into the craft.

NN.5 — IMPACT

OUTCOME & *IMPACT*

Quantify the result. Pair each number with a one-line caption so it reads on its own.

EDIT

NN.6 — REFLECTION

WHAT I'D *CARRY FORWARD*

A short, honest reflection: what worked, what you'd change, and the principle this project reinforced.
